Hiring Manager

Vivint

4931 NORTH 300 WEST

PROVO, UT 84604

Dear Marketing or Development Manager:

I'm interested in the *Digital Marketing Front End Developer* position you have posted on your site, tracking code: 20127062. This position will be an ideal opportunity to utilize my work experience and skills with HTML, CSS, JavaScript, Node.JS, UX Design, and other technologies.

With ten plus years in management, along with my forthcoming degree in web design and development, I am confident I'll be a great asset in your campaign to grow Vivint's customer base. As you will see from my résumé, I am very skilled at problem solving, finding solutions to UX/UI challenges, discovering new revenue streams, and other ways to entice users and channel partners to join a business.

I am available for an interview at your convenience. I'd appreciate the opportunity to further discuss this position with you or answer any questions regarding my résumé. I'll follow up in two weeks to see if there's any additional information you may require.

Thank you very much for your time and consideration.

Sincerely,

Clayton Zaugg
